

SPORTS PHYSICALS

The **MCE Wellness Center** is offering physicals for the 2022-2023 school year. The Wellness Center is located inside Mason County Eastern School, Room 410. Open Monday, Wednesday, and Thursday 7:30am – 4:00pm.

Schedule your appointment now! To make an appointment call:

(231) 236 - 7599

The physicals, also known as a well-child visit will include: vision screening, complete physical exam, age appropriate risk assessment, immunization review, and health education. We will also evaluate your student for sports clearance with the completion of the MHSAA sports physical form at this visit.

We accept all insurances; most insurances cover one physical per year. If you would like to see your primary care provider for a well-child visit, we accept a recommended donation of \$25 in place of billing your insurance. Services will not be denied if you are unable to make a donation. We can also assist you in Medicaid enrollment if desired.

The physicals are available to students ages 5-19 year old enrolled in school, or residing in Mason County. Sports physicals completed after April 15, 2022 are good for the 2022-2023 school year.

***Multiple giveaways available! The first 15 appointments will also receive a gift card.
