

## Voya

### ***Retirement Plan for Michigan public school employees who began working on or after July 1, 2010***

Login to your account at [stateofmi.voya.com](http://stateofmi.voya.com)

After logging in you will be redirected to the **Home** screen.

Scroll down about halfway through the page until you see **Savings Plan**. Choose the fund you want to work with and with the drop down menu next to the chosen fund you can:

- Check Your Balance
- Check Your Contributions
- Change Your Contributions
- Check Your Investment Elections
- Transfer Your Current Balance Between Funds
- Change/Edit Beneficiaries
- View Your Transaction History
- View Your Statements
- Change Future Investment Elections
- Reallocate Current Balances
- Check Your Rate of Return

By selecting one of these options you will be redirected to the screen of the menu item you chose. However, on the tabs shown at the top of the screen that you chose - you can do the following:

If you hover over **Account** you can check:

- Balances
- Personal Performance
- Account Value Chart
- Balance by Source
- Vesting

You can also look at your contributions and:

- Change your contribution (you can only change the **percentage** of your contribution)
- Look at your contribution history
- Manage your contributions
- See how your future contributions will be invested
- Change how your future contributions will be invested
- Move a specific amount or percentage of monies from one fund to another
- Rebalance your current account across all eligible investment funds
- Automatically rebalance your account according to your investment elections

From the **Account** tab you can also see pending transactions, transaction history, loans, or request a withdrawal.

You will also see on the tab selections an **Investments** tab. There you can view:

- Fund Performance
- Fund prices
- Fund information

At the top you will also see a **Plan Information** tab. Here you will see an introduction of the Pension Plus Retirement Plan for those Michigan public school employees who began working on or after July 1, 2010. You can also see what's new, plan highlights, forms, and publications.

Another tab at the top of the screen is the **Personal Information** tab. Here you can add or edit banking information, and add or edit your beneficiary information.

There are also educational tools on the website to assist you with investment decisions. If you have questions regarding your Voya account you can contact Voya at 1-800-748-6128.
